Article 3 Joint Job Evaluation Committee (JJEC)

- 3.1 The JJEC will have equal representation and participation from the parties consisting of three (3) members from CUPE 4879 and three (3) members from the administrative staff of Thompson Rivers University.
- 3.2 A minimum of two from each party to make a quorum.
- 3.3 Each party will select a Co-Chair from among its membership on an annual basis.
- 3.4 The Co-Chairs are responsible for ensuring:
 - a) The chairing of the Committee meetings.
 - b) Review of the priority of matters to be acted upon by the Committee.
- 3.5 The employer will provide administrative support to the Committee. The person performing these functions will not be a member of the Committee. These services will include:
 - a) The distribution of all Committee correspondence to the Committee.
 - b) The scheduling of Committee meetings which include notification of appropriate supervisors for Committee members' attendance.
 - c) The preparation and distribution of meeting agendas and JE packages normally seven (7) days and no later than forty-eight (48) hours prior to the meeting.
 - d) The preparation and distribution of minutes.
 - e) The preparation and distribution of Committee documents.
- 3.6 The union Committee members and any alternates appointed by the union will be granted leave of absence with pay and without loss of seniority for periods of time spent working on the committee as per Article 22(b) of the Collective Agreement.
- 3.7 These members will continue to have all rights and privileges of the collective agreement including access to the grievance procedure, promotional opportunities and salary increments to which the employee would normally be entitled, including any increase that may occur as a result of an evaluation of their present position.
- 3.8 Routine business decisions of the Committee will be made by a simple majority. Job rating decisions will require a unanimous decision of the full Committee and will be final and binding on the parties, subject to the appeal procedure set out in Article VII.
- 3.9 The Committee will meet as necessary at a mutually agreed upon time and place. Each member will receive notice along with the agenda for the meeting normally within seven (7) days and no later than forty-eight (48) hours prior to the meeting. Either party may call a meeting by giving written notice and this meeting will take place within seven (7) working days of the delivery of the notice to the other party's co-chairperson.
- 3.10 Either party to the agreement may engage advisors to assist its representatives on the Job Evaluation Committee. Any such advisor will be entitled to voice but not to vote and will not be considered to be a member of the Committee.
- 3.11 Committee members will be excused from rating their own job, the position of a direct subordinate, or any position where the rating of that job may place them in a real or perceived conflict of interest situation.

- 3.12 As noted in Article 4.1 the role of the JJEC is to evaluate jobs. Members of the JJEC must ensure that their positions or views on labour relations issues or grievance issues do not impact the evaluation of jobs. If a member of the JJEC is not able to evaluate a position in an unbiased manner in accordance with this Article they will be excused from rating that job.

Article 4 Mandate of the Joint Job Evaluation Committee (JJEC)

- 4.1 The JJEC will maintain the Job Evaluation Program by:
- a) Evaluating all jobs using the Job Evaluation Plan. The JJEC will measure the job as it currently exists. It does not measure a job as it may change in the future.
 - b) Reviewing and confirming established job descriptions and/or rankings, in consultation with supervisors and employees. The JJEC will not subsequently alter the duties or qualifications of a job description without consultation and agreement with the supervisor.
 - c) Processing appeals, as outlined in the Appeals Procedures, Article VII.
 - d) May recommend any changes to the Job Evaluation Manual, Job Evaluation Plan and the job evaluation process to the Director, Human Resources and to the President CUPE 4879. All recommendations are subject to negotiation and ratification between CUPE 4879 and TRU. The JJEC will meet annually to review the manual, the plan and all job evaluation processes.
 - e) Documenting decision criteria and precedents on an on-going basis for future Committee reference. One copy to be retained by the union, one copy retained and accessible to both parties.
- 4.2 In the event that the Committee identifies a situation not covered by the above responsibilities and which may have an impact on the job evaluation process, it will refer the matter to the Parties.

Article 5 Evaluation Process

- 5.1 The agreed upon Job Evaluation Plan will be used to evaluate and rate all jobs according to the outlined point system.

5.2 Job Description

A job description includes job summary, duties and responsibilities, qualifications, skills and knowledge and working conditions. The description of specific duties will be brief to allow for minor changes in the methods used to complete tasks. The language used will be consistent with definitions in the glossary of terms.

In consultation with Human Resources the supervisor will:

- a) Analyze existing and proposed jobs and prepare job descriptions in the approved format.
- b) Submit the new job description or review form through their Dean/Director and the appropriate executive officer to the appropriate Human Resources Personnel, who, after review, will forward the job description to the JJEC.

5.3 The following general procedures will be used to rate all jobs:

Step 1

A Job Evaluation Questionnaire (JEQ) will be completed by the incumbent(s) and the supervisor. The completed questionnaire will be submitted to the Job Evaluation Committee along with the copy of the current job description. The questionnaire should detail any changes to the job resulting from new or changed circumstances in the job.

Step 2

The Job Evaluation Committee will review job descriptions according to the established format and will, if necessary, make editorial revisions. The Committee may, when deemed necessary, conduct interviews with incumbents and supervisors to clarify job description information.

The JJEC may recommend amendments to the job description, as deemed necessary by the Committee, from the response of the incumbent(s) and the supervisor. Revised job description will be submitted to the appropriate Human Resources Personnel for review as per Article 5.2.

Step 3

The job will be rated based on the job description in accordance with the Job Evaluation Plan. The Committee will also use information obtained from the completed questionnaire and, if required interview the incumbent(s) and/or supervisor or visit the workplace.

Step 4

When the Committee has completed rating the job, it will provide the supervisor and the incumbent(s) with a copy of the job description and Job Evaluation Rationale Form (Appendix B).

A permanent record containing all information, including the finalized job description, will be established for each job and retained in the Human Resources Division, accessible by both parties.

5.4 When rating jobs using the Job Evaluation Plan, the following general rules will apply:

- a) It is the content of the job, and not the performance of the incumbent(s), that is being rated.
- b) Jobs are evaluated without regard to existing wage rates.
- c) Jobs are rated at the appropriate degree level in each subfactor by comparing the specific requirements of the job to the subfactor definition and the description of each degree level.
- d) The job analysis and rating of each job will be relative to and consistent with the job descriptions and ratings of all other jobs rated under the plan.
- e) No interpolation of subfactor degrees (i.e. mid-points) is permitted.
- f) The factors and subfactors must have an impact on all jobs being rated.
- g) Rating decisions will include a sore-thumbing process to ensure consistency in Committee decisions.

Article 6 Job Evaluation Maintenance

6.1 Maintenance

It is important that the parties maintain accurate job descriptions and job ratings on an on-going basis. Failure to do so will serve to damage the integrity of the program. It is the intention of the parties to periodically review jobs upon request and to complete a review of all jobs within five (5) years. The initial review will commence following the complete implementation of the Joint Job Evaluation Program. The Co-chairs will determine the maintenance schedule.

6.2 Job Evaluation Procedure for New Jobs

Whenever the employer establishes a new job, the following procedures will apply:

- a) The employer will prepare a draft job description as per Article 5.2.
- b) The Job Evaluation Committee will meet and establish a temporary pay grade for the job, based on the draft job description. Where the Job Evaluation Committee cannot meet or reach agreement on setting a temporary pay grade within ten (10) working days then the employer will establish a temporary pay grade for the job.
- c) The job will be posted and any person appointed to the job will be paid the temporary pay grade.
- d) Five (5) months after appointment to the job, Human Resources will notify and send the incumbent(s) and the supervisor a Job Evaluation Questionnaire. The questionnaire must be submitted by the incumbent(s) and the supervisor within sixty (60) calendar days along with the draft job description to the Job Evaluation Committee. The Job Evaluation Committee will review the job description and rate the job according to the procedure set out in Article 5.
- e) The Co-chairs of the JJEC will inform the union, Human Resources, the incumbent(s) and supervisor of its decision using the Job Evaluation Rationale Form (Appendix B) of the results of all job evaluations within ten (10) working days of the position rating. The rating of the job will determine the pay grade for the job.
- f) If the pay grade increases as a result of the six-month review, such increase will be paid to each incumbent effective the date of his/her appointment to the job. In the event that the pay grade of the job decreases as the result of this six-month re-examination of the job, the incumbent will receive full red-circling protection for the duration of his or her tenure in the job.

6.3 Evaluation Procedure for Current and Changed Jobs

Whenever the supervisor/employer changes the duties and responsibilities of a job or the incumbent(s)/union feel that the duties and responsibilities of a job have been changed or that the job description does not reflect the duties and responsibilities of the job, the following procedures will be followed:

- a) The incumbent(s)/union or the supervisor/employer may request a job evaluation review by completing and submitting a Job Evaluation Form (Appendix C).
- b) Upon receipt of a completed Job Evaluation Form, the Job Evaluation Committee will proceed to gather accurate, up-to-date information on the job in accordance with Article 5. The gathering of information will involve requesting the incumbent(s) and supervisor to complete an up-to-date Job Evaluation Questionnaire along with revisions to the job description. Where further information is required, interviews will be held with incumbents and/or supervisors and/or visits to the workplace. Based on this

information, the committee may recommend updates to the job description and as per the procedures of Article 5.3.

- c) Where the job description has been changed, the Committee will meet to rate each subfactor of the job, and to establish a new rating for the job.
- d) The Co-chairs of the JJEC will inform the union, Human Resources, the incumbent(s) and supervisor of its decision using the Job Evaluation Rationale Form (Appendix B) of the results of all job evaluations within ten (10) working days of the position rating. The rating of the job will determine the pay grade for the job.
- e) If the pay grade increases as a result of the review, such increase will be paid to each incumbent effective the date the Job Evaluation Form (Appendix C) was received by Human Resources. In the event that the pay grade of the job decreases as the result of this six-month re-examination of the job, the incumbent will receive full red-circling protection for the duration of his or her tenure in the job.

6.4 Redundant Jobs

Supervisors will apprise Human Resources of redundant positions as decided by Divisional management. Human Resources will subsequently inform the JJEC of such decisions.

Article 7 Appeal Process

- 7.1 An employee and/or supervisor may only appeal a consensus decision of the JJEC on the following grounds:
 - a) Significant and relevant new information has become available that was not considered by the Job Evaluation Committee during their evaluation; or
 - b) The Job Evaluation Committee's rating contains factual errors of a material nature.
- 7.2 Within thirty (30) calendar days of receipt of the Job Evaluation Rationale Form (Appendix B) a Job Evaluation Form (Appendix C) stating which ground they are filing the appeal under, and the reason(s) for disagreeing with the decision will be submitted to the JJEC.
- 7.3 If the JJEC unanimously agrees that the criteria in Article 7.1 has not been met, the Appeal will not be heard. In all other cases, the JJEC will consider the Appeal. The JJEC is not required to consider those factors which they unanimously agree do not meet the criteria in Article 7.1. The JJEC will meet with or without the incumbent / supervisor to consider the Appeal.
- 7.4 The Co-chairs of the JJEC using a Job Evaluation Rationale Form (Appendix B) will inform Human Resources, the union, the incumbent(s) and the supervisor within ten (10) working days of the date of the appeal meeting. A unanimous decision of the JJEC on the Appeal is final and binding upon the Parties and all employees affected.
- 7.5 If the pay grade changes as a result of the Appeal then New Jobs Article 6.2 (f) will come into effect and Current and Changed Jobs Article 6.3 (e) will come into effect.

Article 8 Settlement of Disagreement within the Committee

- 8.1 In the event the Joint Job Evaluation Committee is unable to reach agreement on any matter relating to the interpretation, application or administration of the Joint Job Evaluation Program,

the Co-chairs of the Committee will ask, within ten (10) working days, the Designated Management Representative and the CUPE National Joint Job Evaluation Representative to meet with the JJEC and attempt to assist in reaching a decision.

- 8.2 If the JJEC is unable to reach a decision, the Designated Management Representative and the CUPE National Joint Job Evaluation Representative will attempt to reach a decision on the disagreement which if reached will be final and binding upon the Parties and all employees affected. If a decision cannot be reached by the Designated Management Representative and the CUPE National Joint Job Evaluation Representative either party may refer the matter to arbitration.
- 8.3 The arbitrator will decide the matter upon which the job evaluation committee has been unable to agree and his/her decision will be final and binding on the job evaluation committee, the employer, the union and all affected employees.

Article 9 Applying the Rating to the Salary Ranges

- 9.1 Job ratings serve to:
 - a) Group jobs having relatively equivalent point values (this is commonly referred to as banding).
 - b) Provide the basis upon which wage rate relationships between jobs are established.
 - c) Measure changes in job content.
 - d) Assign jobs into their proper pay grade in the salary schedule.
- 9.2 The total point allocation will be used to determine the salary range for the jobs. Salary ranges are negotiated by the parties and provided in the Collective Agreement.
- 9.3 If a job is rated at a pay grade with a salary range higher than the current wage rate for the job, the incumbent's rate of pay will be adjusted to the higher pay grade on the new salary schedule, retroactive to the date the Job Evaluation Form (Appendix C) was submitted.
- 9.4 If a job is rated at a pay grade with a salary range lower than the current wage rate for the job, all incumbents of such jobs will be identified as "red-circled".
- 9.5 No incumbent will have their wages reduced following the re-evaluation of their job and the establishment of a new wage structure.

Article 10 Conclusion and Implementation

- 10.1 The Job Evaluation Committee will report its recommendations for changes to the Job Evaluation Plan or to the Maintenance Manual to the parties for ratification.
- 10.2 The time limits contained in this Maintenance Agreement may be extended only by mutual agreement of the parties.
- 10.3 This Job Evaluation Maintenance Manual, the Job Evaluation Plan and any other documents as agreed to by the Parties will be deemed to be included in the Collective Agreement, effective the date of signing of the Maintenance Manual and Job Evaluation Plan.
